Politie of Cookies

Definition and Function of Cookies
Cookies are small data files downloaded to the User’s computer when they access certain websites. These cookies allow a website to store and retrieve information about the User’s browsing habits or their computer equipment, among other things and, depending on the information they contain and the way in which the equipment is used, they may be used to recognise the User. Like most Internet sites, this website uses cookies to improve and optimise the User’s experience. Detailed information is given below about the types of cookies used by this website, how to disable them in your browser and in particular how to block the installation of third party cookies.

Types of Cookies used by the Website and their Purpose
Using cookies enables us to facilitate browsing for Users and customise the information and services we offer to their interests.
Using cookies enables us to facilitate browsing for Users and customise the information and services we offer to their interests. Cookies may be used permanently or temporarily (session cookies). Permanent cookies are stored in the User’s computer or mobile device for a period of no more than 24 months.
We use our own and third party cookies to obtain aggregated statistical data through the information furnished by their use.

Types of cookies used in this website
Using cookies enables us to facilitate browsing for Users and customise the information and services we offer to their interests.
APISID, CONSENT, HSID, NID, PREF, SAPISID, SID, SSID
These cookies allow Users to browse through the site and use the different options or services provided. They are also used to improve the browsing experience and to Optimise the functioning of the website. They store service settings so that Users do not have to reset them every time they visit our website.
_utma, _utmb, _utmcd, _utmct, _utm_m, _utmz, _ga, _gat, player, vuid
These cookies are used to obtain information about the use of our website by visitors. We use the information to prepare reports and to improve the site. These cookies are only associated with an anonymous user and their computer/device, and they do not provide any references that allow personal data to be known. They give the number of visitors to the site, the duration of the visits, the
browser, the type of terminal, the place of origin of the visitors and the pages visited.

**Treatment of Cookies**

The information obtained after treating the cookies is processed by the Website Manager and by other companies set out blow, whose services have been enlisted by the Manager for the purpose of providing services requiring the use of cookies:

MIND WIP S.L.

**What happens if the Cookies are Disabled**

You can access the settings of your browser at any time to modify and/or block the installation of cookies, but this may lead to the disabling of certain functionalities and restricted access to some contents. The operating quality of the services may be affected.

**How to Disable or Eliminate Cookies**

Using cookies enables us to facilitate browsing for Users and customise the information and services we offer to their interests.

To permit, know, block or eliminate the cookies installed in your equipment, you may use the option settings of the browser installed in your computer.

You can also easily eliminate the cookies from your computer or mobile device through your browser. For instructions on how to manage and eliminate cookies, go to the “Help” tab of your browser.

You can disable the cookies or receive an alert every time a new cookie is sent to your computer or mobile device.

There are various tools available online that allow Users to detect cookies in each website they visit and disable them (for instance, Ghostery: http://www.ghostery.com/privacy-statement, http://www.-ghostery.com/faq).

**Updating our Cookies Policy**

On occasions, we update our Website Cookies Policy. For this reason we recommend you read this policy every time you access our Website, to make sure you are fully informed of how we use the cookies and for what reason. The Cookies Policy was last updated on [the 3rd of February 2015].
